Fact that the media hides this truth for the majority of the people,
doesn't mean that the Legal Framework is invalid.

In each courtroom on Earth, I am more powerful than current President USA Donald
Trump is.

Other Presidents - Politicians - Businesspersons should take advantage of this, but they
don't... now they are too Legally Lazy.

Unbelievable, isn't it!?

Compagnies rather go bankrupt than that they clean up the @whitehouse @nato @UN
@wto
