InterimPrimeMinister, Désirée Elisabeth Stokkel in charge of Japan – Russia – NorthKorea – Iran, from 23oct2017 on.

ICC President Silvia Fernández de Gurmendi , UNSG Antonio Guterres, Dictator Mark Rutte, Presidents & Embassadors,

President Vladimir Putin Russia , President Shinzo Abe Japan, President Hassan Rohani Iran, President Kim Hong-un NorthKorea, Cuba,

Cuba, please forward this file to the NorthKorea Embassy in Havana Cuba.

President Kim Jong-un, open a NorthKorea Embassy in The Hague Republic NL.

UNSG Guterres & ICC are legally obliged – according to the Torture treaty – to supply a copy of my ICC-lawcase against NL and the foundation of Republic Netherlands per 18nov2016, to any person on Earth, who asks for a copy of this file with the aim to build Republic NL.

**From today – 23october2017 on –
I am the InterimPrimeMinister
for Russia – Japan – Iran – NorthKorea.**

I started an ICC-lawcase against All Presidents on Earth on 10july2017, for the legal fact that all nations support Dictatorship NL and assist the InternationalCriminalCourt personnel with the design of warcrimes / murder on victims who start ICC-lawcases. Via communications inside the UN and EU-building.

All Presidents of all nations on Earth assist the new UNSG AntonioGuterres with murder on Dutch nationals and ICC-victims too.

UNSG Guterres misuses my legal position InterimPrimeMinister for The Netherlands and the

new Constitution Republic NL per 18nov2017, for his private – hidden - killings via ICC and undoubtedly his corruption via the Dictator-parliaments Markrutte II & III.

Reminder:

I started an ICC-lawcase against former Portugal President José Sócrates on 15july2011. The people of Portugal know in 2017, that this former President Sócrates is under investigation for a 24million euro corruption in his private life. He assumed he could misuse my ICC-lawcase against NL as a cover for his private crimes, too.

All President on Earth misuse ICC as a criminal instrument; supporting ICC-personnel with murder on Simple People who are being misguided by corrupt media. Media-makers support criminal politicians.

**I take over the Presidency of
Russia – Japan – Iran – NorthKorea.**

**Now you all have proven in the eye of the public
that you all ignore all your legal obligations
anchored in
the UnitedNations Charter
– Torture treaty
– Humanright treaties.**

You Presidents, have proven that you support the Dictatorship the Netherlands, from 1may2007 on. You have the legal obligation to support the Republic NL from 18november2016 on, with me as the only Sound PrimeMinister for The Netherlands – and International Trade –.

You Presidents, have the legal obligation to correct the UNSG guterres publicly, now he misuses my ICC-lawcase against NL and my claim for the labourcontract InterimPrimeMinister NL from 18nov2016 on, for his private crime inside the ICC- UN – EU -building.

You Presidents, support King Willem-Alexander in Holland from 2june2014 on; he refuses to guarentee the State of Law the Netherlands for individual civilians in Holland. King Willem-Alexander wants to be a Dictator, who puts down his signature on all NL laws & treaties for Dictatorship NL; he wants his friends to misuse the InternationalCriminalCourt as a murderweapon in their hands from 2june2014 on...

You Presidents, support Dictatorship NL with murder on Dutch nationals; you distribute the murders conducted by Dictatorship NL, internationally....now you publicly refuse to recognize Republic NL from 18nov2016 on. You willfully create a Hidden Double Lobby in both worlds: Dictatorship NL & Republic NL.

Thus!?! From today on, Planet Earth restarts International Trade on my command.

I, InterimPrimeMinister DésiréeElisabethStokkel, command:

**All UnitedNations – European Sanctions are lifted.
All threats with sanctions in the media are history.
All war-threats are history too.**

Look, I am a really smart girl...

I already am the InterimPrimeMinister for the United States of America.

I have given the FBI the command to start a Financial Investigation on all persons working inside the InternationalCriminalCourt and all Dictatorship NL business-persons – who want to close deals with the USA business-world. Also commanded an FBI investigation on the financials of UNSG guteres and all EU-personnel working for Dictatorship Holland. ICC-prosecutor FatouBensouda has a son in the USA being murderd with a weapon. The Bensouda-clan is perhaps deeple involved in streetcrimes in the USA. So, ICC is involved in streetcrime in the USA? We will learn soon.

Former ICC-prosecutor LouisOcampoMoreno is under investigation for Financial Corruption in Tax-paradizes. I prove that he tried to murder me.... Online, ICC is a 100% corrupt FAKE courtsystem, a laundryservice for criminal political leaders.

The priviledge of being an InterimPrimeMinister is that I can address Simple People who don't want to be tortured – murdered by the ICC-lobby, and they start to work with my evidendence to rescue themselves from evil Politicians.

1. Even paradize for criminal Politicians has its boundaries.

And these boundaries start where the 'not – so -smart Business people in Dictatorship NL' are under a Financial Investigation conducted by the FBI Washington... in favour of USA-businesses who plan to invest in Dictatorship NL. Or, who have made the decision to invest in Republic NL only, to savekeep their investments ...from criminals working inside the ICC-lobby.

In Dictatorship NL: 'You don't know who your friend or enemy is anymore'.

**In Republic NL: 'You can anchor your business in the ConstitutionRepublic NL
and remove your enemy at low costs.
And make some profits without being exposed as ICC-lovers-criminal'.**

I hereby give you Presidents, the order to rewrite the Constitutions for Russia – Japan – NorthKorea – Iran = you copy the Constitution Republic NL for you own nation and add an extra Chapter for your own Culture & Common Justice, to it. You close business-cottracts in Republic NL. I want Planet Earth to work with one Standard-Constitution, plus a little Extra for Evolution. This will result in more Justice – less Trade costs and lower Crime-rates.

And I want the Compartium: the International Trade – Currency in every wallet on Earth.
